A BRIEF HISTORY OF THE COLLEGE

The long felt need of a college at Martandam resulted in the starting of Christian College in June 1964 by the Kanyakumari Diocese of the Church of South India. The Diocese, made available for this purpose 20 acres of land with some buildings in it as well as some financial assistance. The Diocese also set apart, sufficient extent of wet lands, as endowment to satisfy the University requirement. The annual income from the endowment as of today amounting to Rs. 21,750- goes to the College. The public in and around Martandam, the parents, students and members of the teaching and non-teaching staff have taken keen interest in the growth of the College and contributed substantial amount at different times for its development.

With the permission of the Madras University the pre-University class was started in 1964 with 171 students. The College was inaugurated on 6th Aug. 1964 by the then Bishop, Rt. Rev I. R. H. Gnanadason in the presence of a distinguished gathering. In 1965 June, the College was upgraded to degree level with Mathematics, History and Economics as major subjects. The strength of P. U. Classes was increased to five batches. From the academic year 1966-67, the College was affiliated to the Madurai University. During this year permission was granted for starting Physics as a major subject in the Degree Class. The number of P. U. C. batches rose to six. During 1967-68, Zoology and History with Tamil medium in the degree classes were started. The number of batches in P. U. C. rose to

eight. During 1971—72 Botany and English Literature were added as major subjects in the degree classes. The major subjects offered in the degree courses now are, Mathematics, Physics, Chemistry, Botany, Zoology, English Literature, Tamil Literature, History (in both English and Tamil media) and Economics. The College introduced semester system in degree classes from July 1976. Pre-University classes were shed from the College from 1979—'80 consequent to the introduction of H S C. in Schools. M.Sc. Physics was started during 1980-'81. M. Sc. Maths, was started during 1981-'82. B.Com. was started during 1982—83. The present student strength is around 1375 with 96 teachers and 48 non-teaching members of the staff.

From 1977, College became co-educational and now there are about 450 women students in the College.

The main building programme got under way with the laying of foundation stone on 15-11-1966 by prof. T. P. Meenakshisundaram, then Vice Chancellor of the Madurai University. The ground floor of the main building which now houses the Physics and Zoology laboratories with five lecture halls and staff rooms in between was declared open by the first moderator of the C. S. I. Rt. Rev. A. M. Hollis on 28-1-1970. By 1973, three more lecture halls were added in the first floor of this building. In 1977 two more lecture halls were added with a matching grant of Rs. 3.4 lakhs from the U. G. C. The library block was constructed at a cost of over Rs. 5 lakhs. Roof concrete and plastering of the South Eastern corner room in the first floor of the front building were completed in September 1982. The construction of the Western wing of the first floor (above the

Zoology block) was begun on 24-5-82. Now the building, installation and equipments in the College is worth about Rs. 35 - lakhs.

Such a quick growth within a decade was possible with the continuous and sustained interest shown by the public, parents, students and staff by their liberal contributions for the development. In the marvellous growth of the College, God has guided and blessed us immensely. With faith in Divine guidance and co-operation from the public, it is hoped that the College will be a large temple of learning in this rural area.

THE COLLEGE SONG

We love this College, we love it true,
This Christian College of Martandam.
I'm proud of her name and I'm proud of her fame.
So join together and praise her name.

For I am one with the College,
That stands high, that stands high, that stands high
I am one with the College
That stands high, for wisdom and purity.

We kneel to God when we start each day,
And seek His guidance to show the way;
For wisdom comes with the fear of God
And this she taught us, let praise her loud.....for.....

With diligence do we strive so hard
To dispel darkness of ignorance
Good men of our land, we taught to be,
I'll carry her banner for all to see.....For.....

With FAITH in God we do look ahead,
 His grace will bless all our ENDEAVOUR
 In wisdom and POWER we are sure to grow,
 God's mercy is great and this I'll know.....For.....

Student Aid fund

The student aid fund is built up by the student aid fee of Rs. 2/- collected from each student and the matching grant from the University Grants Commission. This will be available in the form of cash for poor deserving students to meet examination fee, a small part of tuition fee, cost of specific books essential for their study, clothing or medical expenses.

Meritorious but poor students who wish to avail of this fund, can apply to the principal through their group tutors. In addition to the financial status and academic performance, the conduct and character of the beneficiary will be important in the selection of students to be paid from the above fund.
